

DAVID JORDAN

Senior Pastor

I have the great honor to be the Senior Pastor of First Baptist Decatur. I am thrilled to be one small part of this congregation's rich history; I'm also grateful to be connected to such terrific people in this church and to work with such a talented, devoted staff.

I am married to a remarkable woman who is also a minister. Beth serves as the Director of Spiritual Care and Head Chaplain of Emory Decatur Hospital. We share the joy of having three adult children. They are living, working, and studying from one end of the country to another (Los Angeles, California, Salt Lake City, Utah, Winston-Salem, North Carolina, and soon, Boston, Massachusetts).

I enjoy several hobbies including but not limited to: gardening, tennis, hiking, and travel. I do quite a bit of writing, often contributing articles to

Baptist News Global (<https://baptistnews.com/article/author/davidjordan>) along with my website (<https://fromjordansstormybanks.com/blog>).

I love being with people and I find my most fulfilling moments are when I am privileged to witness God's good work in them, and perhaps, to be a small part of their developing faith, hope, and love.

Thank you for exploring our website. I would be honored to meet you someday soon and join together on this exciting journey God has called us to here at First Baptist Decatur.
